

Incredible Me!

Year 1-2 Glas

Maths and Numeracy	We have been learning about ordering numbers. Have a go at these games and see how you get on		Can you order the ages of people you lie with? Who is the oldest? Who is the youngest? How else could you order them?
Languages, Literacy and Communication	Can you create a fact file telling us all about you? What makes you incredible?		What languages do you speak? Can you make a poster about the language and put in some of your favourite key words- they could be greetings, animals, colours etc
Science and Technology	Can you create a human life cycle?		What other creatures have life cycles? Can you make a list and show the different stages?
Expressive Arts	Can you create a piece of artwork of you doing something that makes you incredible? It could be a portrait. You might make a model using playdough or junk modelling (recycled materials) - you can be creative as you like!		The people around you help to support making you incredible. Create a piece of artwork of the people who live in your house.
Humanities	We are learning about who you are as individuals. Family is a really important factor. Can you design a family tree with help from your grownups?		Can you make a list of the different things you have seen and done in your local area?
Health and Wellbeing	Friends are so important to our well-being. What makes a good friend? Can you write a list about what makes a good friend?		We are looking at what foods are healthy vs unhealthy. Can you create a diagram demonstrating healthy and unhealthy foods?

Home Learning

Please choose a minimum of two tasks to complete from the homework menu.

Handing in your work: Upload photos/videos of work or digital files to Seesaw or return any paper work to your class teacher.

Remember to present all work to a high standard and enjoy!

You will share your home learning tasks as part of our Fabulous Finish!
