

## Maths

Children will be using probability to describe the likelihood of events, using mathematical terminology and fractions.

Children will be specifying location using coordinates in one quadrant, and coordinates in four quadrants.

## Literacy

Discussion - Children will be exploring many issues this half term, orally and in writing. Challenging issues will be debated, such as 'Should children have been evacuated during World War II?'

Poetry - Children will be using powerful imagery to describe the Blitz.

## Science

We will be looking at Forces including air resistance and carrying out investigations related to this.

Later we will move on to studying Earth and space, including some research about the planets in our Solar System.

## Welsh - Y Dref (The Town)

Children will learn to use a range of sentence patterns relating to the topic - The Town. Through a range of games, activities and written tasks the children will learn to communicate a range of simple and complex patterns.

**Blwyddyn 5/6  
Spring 1**

**The Blitz**

## Topic - MH

Children will study:

- The causes of WW2
- The main historical characters.
- The effect of rationing.
- The effect of evacuation.
- The bombing of Britain focussing on the Blitz in London.
- The countries that were involved in the war.
- The end of the war and V.E. celebrations.

River W

## ICT

The children will learn how to be responsible digital citizens by exploring a range of E-safety Issues including:

- Powerful passwords
- Citing Websites in their work
- Digital Footprints
- Enhancing Digital Images
- How to conduct ourselves online

## RE

Children will continue exploring the lives and beliefs of Christianity and Judaism, noting similarities and differences between both religions.

Children will be commenting on how the rules and beliefs of each religion, affect the daily lives of believers.

## PE

Children will be exploring the importance of exercise and healthy living. Children will take part in circuit training activities, and evaluate how they are able to improve their own fitness.
